I submit for the approval of the Government plans and estimate for Rs.8,500/- (Eight thousand and five hundred only) for the construction of an Armourer's shop for the Armed Reserve at Mangalore in South Kanara District.

2. The necessity for the above proposal has been explained by the District Superintendent of Police, South Kanara in his letter C.No.20559/B1/51 dated 10-3-52 and in his memorandum Rc.No. B-6204/54 dated 3-4-54. I agree with the District Superintendent of Police and consider that the above proposal is urgent and essential. This proposal has been included in the list of demands for Police Minor Works under Civil Works Estimate for 1956-5

3. The buildings are borne on the registers of the Public Works Department and the work will be executed by them. The expenditure will be met from the Civil Works Estimate under Police Minor Works.

A | The Dy.Inspr.-Genl. of Police, Western Range in his inspection notes of the Armed Reserve, Mangalore dated 26 and 28-9-51 has remarked that the Armourer's shop is right away from the main buildings all alone on the other side of the parade ground and a new one is to be constructed in or near the Armed Reserve office buildings.

2. The Executive Engineer, South Kanara Division, Mangalore was addressed to advise his Sub Divl. Officer to select a site and work out the approximate cost only to enable me to address the Inspr.-Genl. of Police, Madras for its inclusion in the priority list of building schemes.

3. The site plan showing the proposed armoury shop and approximate estimate amounting to Rs.5150/- received from the Executive Engineer, South Kanara Division, Mangalore for obtaining the countersignature of the Inspr.-Genl. of Police and administrative approval of Government are enclosed herewith. I request that the administrative approval of Government be obtained and the proposal included in the priority list of building schemes.

The plan and an approximate estimate amounting to Rs.5,150/- (Five thousand one hundred and fifty) only are forwarded herewith as directed in the C.O.memo cited. This minor work is noted as Item No.7 in the list of Police Minor Works for which funds are
not recd required in the Civil Works Estimate for 1954-55 attached to C.O. letter Rc.No.1564/HB/53 dated 6-10-53 to the Chief Engineer, P.W.D. (General & Buildings), Madras. The necessity for the work has been
not recd explained in the correspondence ending with C.O. memo Foc.No.363/HB/52 dated 4-4-52.

2. Another factor to be taken into consideration for the abandonment of the existing armourer's shop (old tent-go-down transferred from the Military Department under G.O.No.491 dated 20-2-54) and the construction of an armourer's shop near the main buildings of the Armed Reserve is that three blocks of line huts for 17 P.Cs. of the Armed Reserve are being built close to the existing armourer's shop as per orders in G.O.Ms.No.4610 P.W.D. department dated 11-12-53 communicated with C.O. endt.Foc.No.2523/HB/53 dated 30-12-53 and as such it is considered inappropriate to keep the armourer's shop in that building.
